

COUNCIL VACANCY APPLICATION FORM-PART 2

Name of Candidate: KEN GRAHAM.

Explain why you would like to serve on Council (if extra space required, please attach)

I have the experience to serve on this council as I have 21 years municipal experience in Oranquit Falls. 9 of those years as town council & 12 years as the mayor. I also have 3 1/2 years experience with the M.T.O. in the maintenance/construction of roads & highways within the Cochrane district. I held various supervisory positions within these years. I also started & ran my own business doing road maintenance out of Oranquit Falls & into surrounding communities. This work consisted of asphalt sealing, patching, paving, chain-link fencing & various other maintenance repairs. After 20 years of running this business, I sold it & retired in 2019. Thank-you for your consideration!
