A Message from the Office of the Clerk/Returning Officer

VOTER INFORMATION LETTERS

Only the Voter Information Letter addressed specifically to you belongs to you and may be used by you.

Opening mail that is not addressed to you may be a criminal offence.

Using another elector's PIN to vote or voting more than once is also a criminal offence.

If the Clerk or an Election Official becomes aware of suspected misuse, the matter will be referred to the Ontario Provincial Police for investigation to protect the integrity of the election.

If you receive or come into possession of a Voter Information Letter that is not addressed to you, **do not open or use it.** Please **return it promptly to the Municipal Office.**

The Voters' List is updated as information becomes available. Changes in residency or personal circumstances may not be reflected if the information has not been reported to Elections Ontario or updated by the elector. This can result in Voter Information Letters not being properly delivered.

If you have questions or require assistance, please contact the Clerk's Office or visit the Municipal Office.
