A MESSAGE FROM THE OFFICE OF THE CLERK / RETURNING OFFICER

CANDIDATE QUESTIONS AND CLERK RESPONSES

In accordance with Clerk Procedure ME-2026-04, section 9.2, the Clerk may post candidate questions and responses on the municipal website to ensure fairness and consistency.

Question No. 8 – Submitted on October 7, 2026

Candidate Question:

Just wondering when the voter information cards will be sent out to voters?

Clerk Answer:

We received confirmation from the vendor (Intelivote) that the Voter Information Letters were mailed on Monday, October 5, 2026.

We estimate a delivery of 3 to 5 business days. Therefore, we are advising electors who have inquired about the VIL's if they have not received their letter by October 13th to present themselves at the office and we will re-print it for them.

For further information, there would be two (2) reasons why an elector did not receive their Voter Information Letter:

1. They are not on the voters list.
2. Their VIL was unfortunately lost in the mail.
