BONJOUR • WELCOME • WACHAY

Hello!

On behalf of the people who live, work, and play in Cochrane, Ontario, it is with a warm “Chimo” welcome that I invite you to enjoy what our beautiful town has to offer. Lake Commando, located in the center of our vibrant town is the hub to 4 seasons of fun; sliding, kayaking, fishing, swimming, and home to our new state of the art stage and Commando Park Pavilion where we host Ontario’s oldest Winter Carnival and our “Live like a Northerner” Summerfest.

Nothing says northern like the Polar Bear Habitat, home to our 3 bears along with the Welcome Centre, Heritage Village and Snowmobile Museum – definitely on your ‘do not miss’ list .

Come join us at the Tim Horton Event Centre, home to the NOJHL Cochrane Crunch Junior ‘A’ hockey team, 2018 Division Champion and hosts of the 2019 Dudley Hewitt Cup. While you’re there, enjoy the beautiful pool that has the flavor of the tropics where you can float in the lazy river and thrill on the giant slide! We have been voted one of the top 50 small towns to visit in Canada, top 10 cutest small towns in Ontario and the #1 snowmobile trails in the world! We are also transportation hub for the mining and lumber sector, and the originating point for the Polar Bear Express passenger train to Moosonee and points north.

Cochrane is diverse in culture with a large francophone and indigenous population and is welcoming to all so whether you are passing through or planning to stay, let us show you why we are ‘Wonderfully Unexpected!’

Bonjour!

Au nom des gens qui résident, travaillent et s’amusent à Cochrane, en Ontario, c’est avec un chaleureux accueil « Chimo » que je vous invite à profiter de ce que notre belle ville a à offrir. Le lac Commando, situé au centre de notre ville animée, est notre pôle d’attraction offrant 4 saisons de plaisir; glissade, kayak, pêche, natation, et notre nouvelle scène de spectacle ultramoderne et le pavillon du parc Commando où nous accueillons le plus ancien carnaval d’hiver de l’Ontario et notre Summerfest « Live like a Northerner ».

Rien ne dit « le nord » comme l’habitat de l’ours polaire, qui abrite nos 3 ours ainsi que le centre d’accueil, le village du patrimoine et le musée de la motoneige - définitivement sur votre liste des « à ne pas manquer ».

Venez nous rejoindre au Centre d’événements Tim Horton, qui abrite l’équipe de hockey junior A de la NOJHL, les Cochrane Crunch; équipe championne de la division 2018 et hôte de la Coupe Dudley Hewitt 2019. Pendant que vous y êtes, profitez de la belle piscine à la saveur des tropiques où vous pouvez flotter dans la rivière paresseuse et vous amuser sur la glissade aquatique géante!

Nous avons été élus l’une des 50 premières petites villes à visiter au Canada, le top 10 des plus petites villes les plus charmantes de l’Ontario et les sentiers de motoneige #1 au monde! Nous sommes également la plaque tournante des transports pour le secteur des mines et du bois d’œuvre et le point de départ du train de voyageurs Polar Bear Express vers Moosonee et vers le nord.

Cochrane a une culture diversifiée avec une grande population francophone et autochtone; et accueillante pour tous. Que vous soyez de passage ou que vous envisagiez d’y rester, laissez-nous vous montrer pourquoi nous sommes « merveilleusement inattendus »!

Denis Clement,

Mayor | Maire | Okemah

Town of Cochrane

THE TOWN OF COCHRANE *TOWN HALL*

As a new resident, you will have many questions about Cochrane and basic services. Your first point of contact for municipal services is the Town Hall. Here you will be able to set up your municipal water account, ensure your property was properly transferred, learn where you can volunteer and much more. Our friendly staff will be sure to help you the best they can!

As a new resident you will also receive a complementary welcome package.

The Town Hall is open weekdays, Monday - Friday 8:30am-12:00pm and 1:00pm -4:30 pm.

Our offices are closed during regularly statutory holidays.

OUR VALUES

We value our people and understand that our unique blend of cultures strengthens our social fabric and strengthens us as a community.

We value our built environment and thank our founding fathers for building a community that has stood the test of time. We are proud of our community assets and seek to strengthen and build on them.

We value our future while honoring our past. With our vast natural resource wealth and our strategic location our future is bright.

To build a community today that future generations will be proud of.

QUICK FACTS

LOCATION

Cochrane lies on the forty-ninth parallel. As such, its latitude is the same as the greater part of the border between the United States and Western Canada. Cochrane is served by Highway 11, the northern route of the Trans-Canada Highway, and by the Ontario Northland Transportation Commission, which offer passenger train service to Moosonee at the James Bay Coast.

RECREATION

Cochrane is a recreationally driven community in all four seasons of the year. Home of the Tim Horton Event Centre, the only Bike Share program in Northern Ontario, a local supervised community beach (in the middle of town) that allows people to enjoy all watersports.

Surrounded by vast rural areas, the adventurer will find extensive kilometers of trails for cycling, hiking, ATV driving, snowmobiling and other power sports. Some near water bodies that offer the perfect fishing conditions and others near sandy beaches perfect for a camping getaway in the Northern wilderness, which is Cochrane's backyard.

"CHIMO"

Residents in this town “Chimo” to greet one another during the winter carnival. It is a Inuit word meaning: “I am friendly” or “Welcome. The giant polar bear statue, the town’s mascot, greets our visitors at the entrance of town alongside the Cochrane welcome sign. You've seen this style of sign before; in Toronto! More specifically at the beginning of Young Street. Did you know Cochrane is the most northern point of Young Street? What better way to commemorate this than by having a twin sign?

POLAR BEARS

Did you know that Chimo isn't the only polar bear in Cochrane? Cochrane is home to the largest polar bear enclosure in North America which occupies several real polar bears! You can purchase a season pass and visit the bears any time of the year because the facility is open 363 days a year.

TIM HORTON

Tim Horton was born on January 12, 1930 in Cochrane Ontario. He is the creator and founder of the Canadian doughnut and coffee franchise, Tim Hortons. He is also known for playing in the NHL over the course of 24 consecutive seasons from 1948 to 1974. The sports complex in town is named “The Tim Horton’s Event Center” in commemoration.

COCHRANE'S TOP 5

READILY ACCESSIBLE HEALTH CARE SERVICES

1

Lady Minto Hospital provides leading edge medical services with the most modern of equipment. It is one of the few hospitals in Northeastern Ontario with a resident surgeon.

2

SMALL TOWN, BIG AMENITIES

With some of the lowest property taxes in Northeastern Ontario, Cochrane provides the highest quality of northern living at a competitive cost to the tax payer. Which means that you can afford to do more things in the community such as hockey, fishing, camping, and hunting.

3

FAST GROWING JOB MARKET

One of the few communities in Northern Ontario to have experienced growth in the last few years, Cochrane's economic landscape offers job & investment opportunities in just about every sector.

4

PURCHASE YOUR HOME OR BUSINESS TO BUILD EQUITY

Home ownership in Cochrane continues to thrive at a rate of 76%, much higher than the provincial average. The cost of resale property in Cochrane has climbed over the past several years and appears to be at the high end of Northern Ontario communities in terms of growth. This makes Cochrane the choice for small and large business, as well as those homeowners who could use this disposable income to inject back into our already vibrant economy.

5

ACTIVE LIFESTYLE & NORTHERN HOSPITALITY

Looking for an active lifestyle that takes you beyond the hustle and bustle of the city, and looks further than the rural amenities of the countryside? You can see most sports clubs out at our annual Welcome to Cochrane showcase. The Town of Cochrane encourages its residents to maintain an active and healthy lifestyle and promotes affordable programming through its Doable Neighborhood Project initiatives and through The Tim Horton Events Centre.

A BRIEF HISTORY OF COCHRANE

CHOO-CHOO! NEXT STOP COCHRANE, ONTARIO!

The Town of Cochrane owes its existence to the trans-Canadian rail network. Located on the junction of the Canadian National Railway and the Ontario Northland Transportation Commission (ONTC) rail line, previously the Temiskaming and Northern Ontario Railway, many came to work on the rail line and settled in Cochrane in the early 1900's. Cochrane soon developed other important industries around the rail line, including agriculture, forestry and other commerce, merchant stores, bakeries among other business ventures necessary for people working in the area.

Although many settlers arrived in 1906, like many Canadian town sites, populations of First Nations resided or migrated through these geographical areas. The aboriginal heritage that characterizes the landscape of Cochrane is that of the Cree, Ojibwa and Algonquin ancestry; traditions that can still be found within our community today. The first crossing of the Cochrane town site would have been of settlers on their way to trade fur in the Moosonee area while travelling the Abitibi River.

"THE TOWN BETWEEN THE TWO RIVERS"

The Town of Cochrane was initially called the "Town Between the Two Rivers", because the town site was laid out on the Commando Indians Little Lakes Campgrounds (now Commando Lake), which was the center point between the Abitibi River and the Frederickhouse River, on the Old Overland Packet Trail to Moosonee. Only later after the town was formally incorporated in 1910, was the Town named Cochrane after the Honourable Frank Cochrane, the Minister of Lands, Forests and Mines at that time.

FOUNDED ON HARD WORK & DETERMINATION

The Town of Cochrane has faced its share of traumatic events, aside from raging world epidemics, Cochrane was the casualty of three major fires; the fires of 1910, 1911 and 1916. At three different times during its existence Cochrane had to rebuild everything; its businesses, homes, and recreational facilities.

Although some fires were bigger than others, many took refuge in the surrounding lakes. The fire of 1916, which spread from the town of Matheson northward to Cochrane left over 200 people dead or missing, 22 of which resided in Cochrane, their names can be found at the memorial site of the 1916 Fire at the intersection of Genier Rd. and Concession 6 & 7.

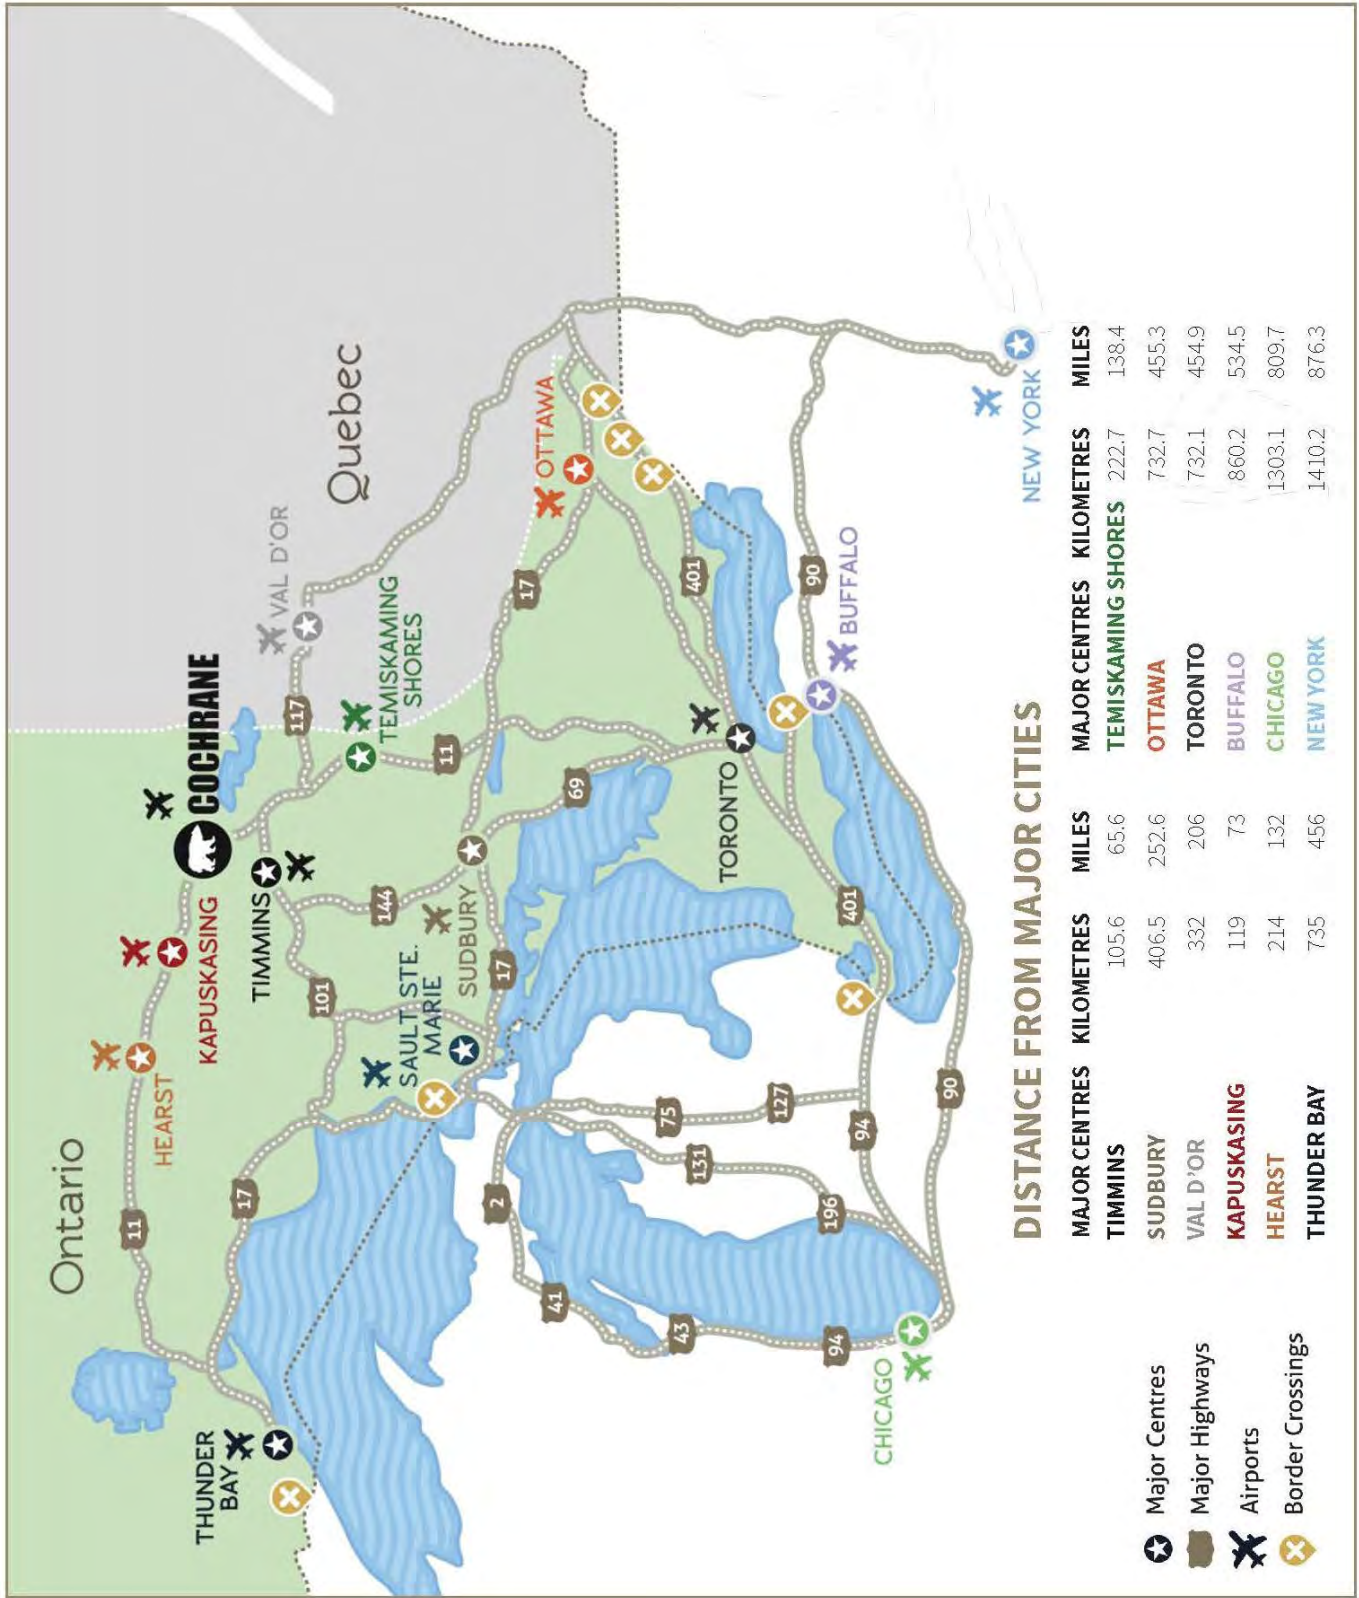

BUILT FOR GREATNESS & ENGINEERED FOR SUCCESS

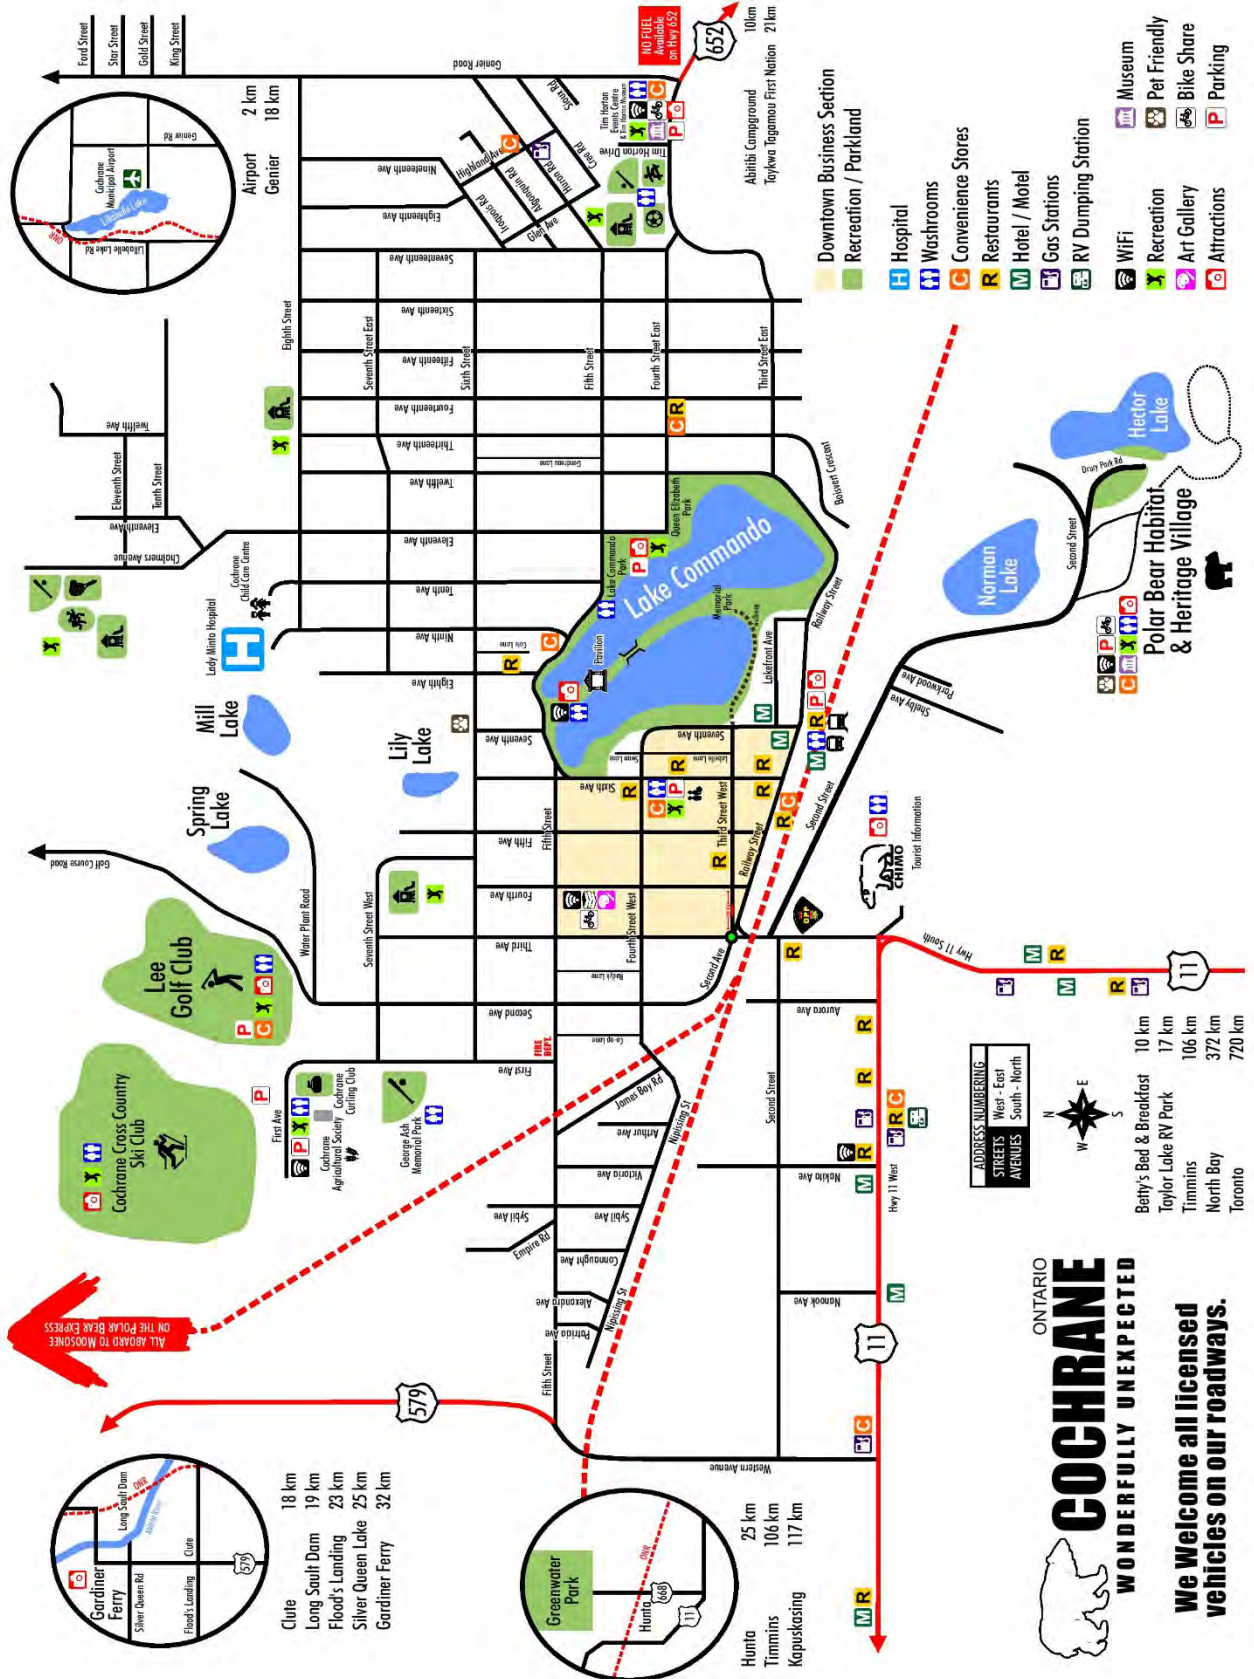

Uncharacteristic of other northern railway towns, Cochrane was built and engineered, at the time, to become a metropolitan center for the North, so that it could accommodate all rail line shipments heading to the western provinces. Many of these developments can still be seen today; Cochrane's roads are wide, just take a look at Railway Street and Sixth Avenue! This intention led the way to ensure that Cochrane was founded and prospered on a diverse economy: rail workers, farmers, loggers, miners and entrepreneurs. All of these industries still support the development of the town today.

We Welcome all licensed vehicles on our roadways.

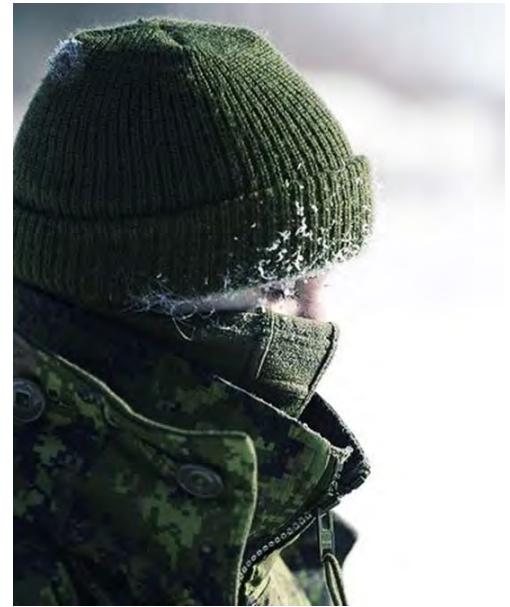

CLIMATE

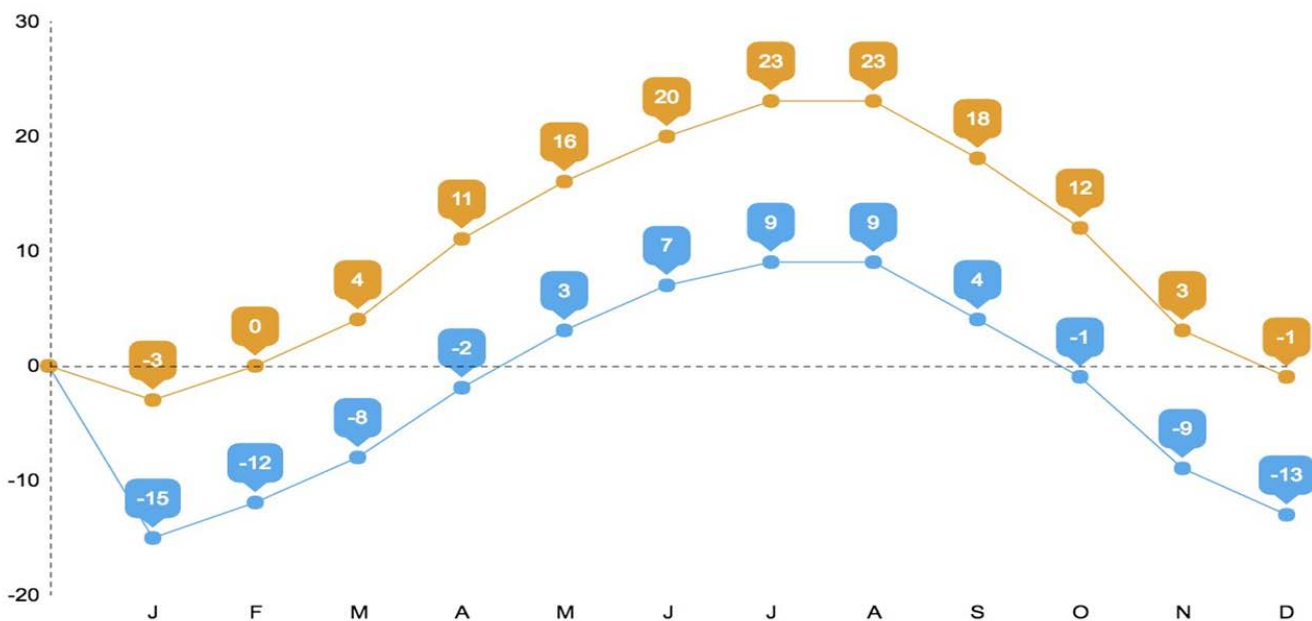

Cochrane has a transitional climate sitting between the subarctic and continental climate zones. This provides the region with the ability to shift smoothly into four very distinct seasons; winter, spring, summer and fall.

Each season comes equipped with its own opportunities and activities that the community offers for the enjoyment of the outdoors.

Due to its cold winters, Cochrane offers the true northern experience, and it is quickly discovered that this can be a truly magnificent adventure. Yet the refreshing springs that are followed by the hot summers are a welcome relief from the cold, and offer the best of every season.

WATER AND WASTEWATER

The Infrastructure Services department works hard to ensure that safe, potable water is delivered to all locations within its distribution system. We also ensure that wastewater is collected and treated in accordance with provincial safety standards.

As a new resident, you will need to contact or visit the town's Utility Billing Clerk to register for the water services.

Register for water & wastewater services:

171 4th Avenue
(705)272-4361

WASTE AND RECYCLING PROGRAM

USING YOUR GREEN AND BLUE BINS

Each resident has a green bin for household waste and a larger blue bin for recyclables. The green and blue bins can be purchased at Allan's Home Hardware Building Centre.

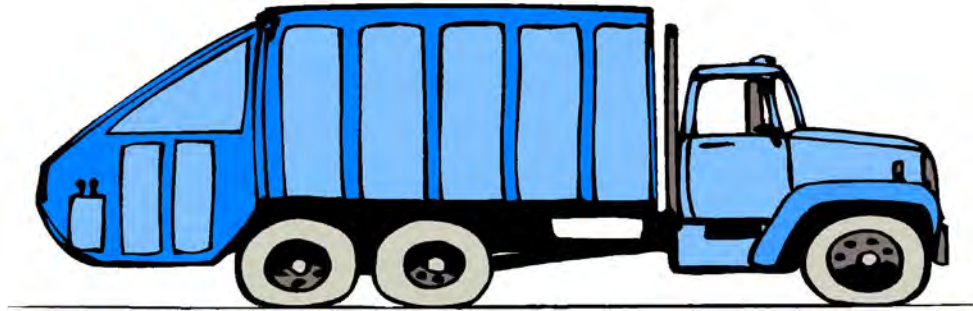

STILL NOT SURE HOW IT
WORKS:

(705)272-5086
92 2nd Street
www.cochraneontario.com

- 1 On your regular weekly waste collection day (see right page). Take the green and blue recycling bins to the curb if full.
- 2 Take the blue recycling bin to the curb and place it on the left of the green bin.
- 3 Make sure to leave at least two feet between the bins.
- 4 Make sure you place both bins facing the street.
- 5 Place all acceptable recyclables in the blue bin. Do not recyclables tightly in the blue bin. Cut down polystyrene foam and cardboard before placing it in the blue bin.

WASTE & RECYCLING COLLECTION SCHEDULE

EFFECTIVE MONDAY DECEMBER 3RD, 2018

If you have any questions or need clarity please call 705-272-5086.

ATTRACTIONS

Polar Bear Habitat

A must visit in Cochrane! The Polar Bear Habitat is dedicated to, and setting the highest standards for the conservation, care and well being of polar bears. The Polar Bear Habitat is world renowned for it's ability to lengthen the lives of polar bears in captivity, while providing them environments as close as possible to their natural habitat. Having recently built an enclosure around a natural lake and forest, the Polar Bear Habitat is now the largest one of its kind in the world, and can now reach new heights in research and behavioral understanding for polar bears. Come see Ganuk, Inukshuk, and Henry in their natural habitat. If you are lucky you may even be able to get up close and personal with them.

(705) 272-2327

1 Drury Park Road

www.polarbearhabitat.ca

Polar Bear Express

The Polar Bear Express train, which runs from Cochrane to Moosonee, is one of the few great rail excursions left in the world. The train runs during the summer months along the Arctic Watershed, crossing historic highways of the once busy fur trade. It is a trip that showcases many sights along the way, most of which are unique to the North.

200 Railway Street

www.ontarionorthland.ca

Tim Horton Events Centre

Cochrane's recreational complex is one of a kind for Northern Ontario and is a one stop shop for all recreational activities: hockey, swimming, fitness.

POOL FACILITY

A state of the art Olympic size pool, complete with a whirlpool, lazy river, and 21-foot waterslide. The pool is always supervised with certified lifeguards and can be rented for private events. Check our seasonal pool schedule and fare rates to get your membership.

ARENA & ICE PAD

Home of the Cochrane Crunch Jr. A team, the arena is a bustling community hub here in the community during winter months. Recently renovated with a tiered VIP section, you won't want to miss out on a Crunch game or watching your kids play on the ice in this facility. Sections of the VIP Bear's Den can also be rented for private functions during games.

FITNESS CENTER

Join as a member and use the fitness center at your leisure or join one of the numerous fitness classes that are offered at this facility all year round!

COMMUNITY HALL

A popular venue for local weddings, hosting conferences, community social events and community dances. The Community Hall is turn key for any private event, with kitchen, bar, stage, media center and technological equipment.

SUMMER CLUBS AND ACTIVITIES

Clubs are a great way to get active and social in our community whether you want to take up a new hobby or become a volunteer. Can't find what you like... start your own club!

COCHRANE DERBY GURLZ

This fast-paced and high energy sport is not only a thrill to watch but an even bigger thrill to participate in.

Facebook: @CochraneDerbyGurlz

TIM HORTON MUSEUM

The Tim Horton Museum is located within the Tim Hortom Event Center and is a commemorative museum to NHL hockey legend Tim Horton, who was born and started playing hockey in Cochrane.

COMMUNITY INVOLVEMENT

THE DOABLE NEIGHBOURHOOD PROJECT

The Doable Neighborhood Projects are free initiatives in Cochrane that aim to plan around people, not infrastructure, to create social spaces within the community through arts, music and physical activities, with the end goal to create healthier and happier community.

BIKE SHARE PROGRAM

MAY-SEPTEMBER

The Bike Share Program is free and available for all local residents and visiting tourists alike. Access to the bikes are free, but require a sign in and sign out process. This enables us to measure the use of the bikes and maintain tabs on their whereabouts. To donate a bike to the town's Bike Share Program, please contact Infrastructure Services during regular work hours, at (705) 272-5086.

BOOK SHARE PROGRAM

ALL YEAR ROUND

Our book share program promotes literacy in our community. People can take books from these book share boxes to have a read or drop off books that they want to throw out or give away.

WATERCRAFT RENTAL

SUMMER MONTHS

Head down to the Pavilion to rent out kayaks, peddle-boats, canoes, and paddle-boards!

DRIVE IN MOVIES

SUMMER MONTHS

The Doable Neighbourhood Project hosts several Drive-In Movies throughout the summer months in the Tim Horton Event Center Parking lot.

CROSS COUNTRY SKIE/SNOWSHOE

RENTAL-WINTER

Both are available for rent at the Cochrane Public Library. All you need is a library card!

OTHER PROGRAMS

For more information on new initiatives for the summer and winter months please visit the Doable Neighbourhood webpage and Facebook page.

EVENTS

WINTER CARNAVAL

Acclaimed as the oldest of Ontario's winter carnivals and the largest in Northern Ontario this ten-day festival is a great way to enjoy Northern Ontario's winter season! Some of the 80 events that take place during carnival include a smash up derby, a fishing derby, dances, hockey tournaments, the Polar Bear Dip and a wing eating contest.

www.cochrane-wintercarnival.com

SUMMERFEST

Celebrate summer with us in August at the "Live Like a Northerner" Summerfest, held during the second weekend of August. Live music, ATV races through mud bogs, Voyageur boat races, baseball tournaments, children amusement parks, and fireworks are just a few of the activities that you will be able to see and participate in with us!

www.cochranesummerfest.com

HERITAGE DAYS

Revisit history with a stroll down a recreated 1900's street at the Heritage Village during Heritage day. Watch antique cars and tractors come to life, cheer on modern-day cow folk as they put horses through their paces, and more. . With games for the kids and adults, it's fun for the wholefamily.

www.polarbearhabitat.ca

ANNUAL FALL FAIR

For the last century, we have played host to the Cochrane Annual Fall Fair. While the adults can take part in events like flower arranging, painting, crafts, quilting and photography competitions, the kids keep busy with all sorts of games and races. It's an unforgettable experience and a true taste of the spectacle Northern Ontario has to offer.

@CochraneAGSociety

www.cochraneagriculturalsociety.com

EVENTS CALENDAR

To stay on top of the events that are taking place in Cochrane, go to the town of Cochrane website at www.cochraneontario.com and visit the Events Calendar. It is updated to keep you informed of what events you should be looking out for!

OUTDOOR RECREATION

The showcased parks are managed and maintained by the Town of Cochrane. They are key services we offer our residents to maintain an active and social lifestyle.

COMMANDO PARK

Part of Cochrane's charm is beautiful Lake Commando, situated at the center of town. This special lake is a community treasure, hosting many events and activities every year. The supervised downtown beach is a summer favourite for children and parents. Our newest recreational activities at the beach include kayak, canoe, paddle boards and pedal boat rentals, as well as a Tube Water Slide that splashes into Lake Commando. Outdoor BBQ's are located around Commando Park and Memorial Park, free for residents and visitors to use. A new facility is being built on the peninsula to host many events. Building is due to open in 2018!

MEMORIAL PARK

On Lake Commando, Memorial Park commemorates the fallen soldiers of Cochrane who have fought for our country. This popular walking and cycling trail connects through the center of Commando Lake and around to the town's retail hub, passing over the Commando bridge and beside the bandsrand.

HILLCREST PARK

Hillcrest Park is a favourite area for kids to enjoy. This park has everything you need for a fun filled afternoon at the playground. The park's features include playground equipment, swings, sandboxes, basketball courts, picnic areas, portable toilets on site and nearby soccer fields, a baseball field, a skate park and the Event Center.

SOFTBALL PARKS

The municipality of Cochrane maintains two baseball parks, namely the Glackmeyer and George Ash fields. The fields play host to summer tournaments, as well mixed senior, intermediate, and minor league softball seasons.

FISHING & HUNTING

In Cochrane it is not uncommon to see fishing boats in people's yards and wearing orange in the fall months. Fishing and hunting are popular traditions in our community. These sports are well regulated. If these sports are new to you get informed before you go out.

Fishing In Ontario: www.Ontario.ca/page/fishing

Hunting In Ontario: www.Ontario.ca/page/hunting

SNOWMOBILING & ATVING

Powersports are another common recreational activity enjoyed by Cochranites! If you go out on snowmobile trails be sure to have you OFSC Trail Permit. Ride safe!

OBTAINING YOUR SNOWMOBILE TRAIL PERMIT:

www.ofsc.on.ca

Plan your trips: GoTourOntario.ca

WATERBODIES & WATERFRONTS

BENTLEY LAKE - NORTH OF COCHRANE OFF HWY 579

Cottage area located 30 minutes away from Cochrane's urban core.

LAKE COMMANDO - DOWNTOWN COCHRANE

Cochrane's very own lake, centered in the middle of town. Enjoy a day at the beach, rent a kayak to test the waters, join in at local events: Summerfest and Carnival; the possibilities are endless at Commando Lake.

LILLABELLE LAKE - CONCESSION 4 & 5 GLACKMEYER TWP

Lillabelle Lake is smaller body of water located just outside the urban core and near the municipal airport. It is a prominent lake for fishing in the winter and float planes, to leave for fly in fishing trips.

LAKE LOUISE

Lies about thirty minutes from the Town of Cochrane, and is a gorgeous waterfront for homes and travelers.

SILVER QUEEN LAKE - NORTH OF COCHRANE OFF HWY 579

Silver Queen Lake is a small cottage community, located about 30 minutes from the Town of Cochrane. Although on the outskirts of town, Silver Queen Lake residents and cottage owners benefit from all municipal services as it is located within the municipality's boundaries. It's beautiful waters attract many people from regional communities for fishing and boating purposes.
