## *SECOND STREET WATER & SANITARY UPGRADES*

WSP Canada Inc. has been retained by the Corporation of Town of Cochrane to conduct engineering and inspection services for the proposed Second Street Water and Sanitary Upgrades in the Town of Cochrane Ontario.

The Scope of this Project will consist of the re-routing of sanitary sewage flows to eliminate the need for the lift station, as well as general watermain upgrades, road resurfacing, and the installation of a bulk water filling station.

We would cordially like to extend the invitation to attend the Public Consultation Session for this Project on **June 24, 2024 from 5:00pm to 7:00pm**. This information session will be held online through the Microsoft Teams platform. Please email [marc.pilon@wsp.com](mailto:marc.pilon@wsp.com) to receive the invitation. Project Managers and Engineers will be in attendance to answer any questions you may have.

Furthermore, if you are not able to attend you can direct any questions you may have regarding this project to Mr. Marc Pilon at (705) 971-1895.
